Dear sport friends,

This is the same day which we were expected.

We must introduce our advance sport to the world.

We have the honor of partnership with you for introducing our sport to the world.

Also we hope you have reproduced the poster of the World Canoeing Day which has been become global by advanced communicating technology which is available on: [www.canoeing4all.org](http://www.canoeing4all.org) .

Miss. Somayyeh Asadi, Miss. Rayhaneh Kamyabi, Ms. Faranak Tohfechi, Mr. H. Madadi (chairman of PR/Media Com. Of ACC) Mr. Sepehr Arjmandi, Mr. Mohammadmehdi Ghalamsiah (ICF PR/Media Com. Member) are the group members who have worked day & night specially since the past 10 days & pursued the affairs of the World Canoeing Day therefore with your permission, I want to appreciate their efforts & services by introducing them.

Looking forward receiving news & photos of your acts for the World Canoeing Day.

Today, we glory in the beginning of *ACC website* activity which the advanced computer experts have worked for it since the last year.

There is only **365** days for holding the 3<sup>rd</sup> edition of the World Canoeing Day.

Just now, include the 3<sup>rd</sup> edition of the World Canoeing Day in your federation event calendar.

The 3<sup>rd</sup> edition certainly will be more global & splendid.

Thank you in advance
